

Parent/Caregivers

We ask that you order your stationery through Warehouse Stationery online ordering or if purchasing in store please mention the school's name at the counter.

When you do this the school is given \$5 per order so when you have more than one child please do your orders separately.

We will send out a link via email to the online order Friday 15th December. They have said that back to school specials start on 3rd January 2024 so if you want items cheaper please wait to order after that.

Thanks for your support with this
